

# My Possibilities

Day program for adults with special needs  
Making every day count

January 25, 2010

Dear Bobbie,

On behalf of My Possibilities, please thank Ashley Melnick, Miss Fort Worth 2010, for her volunteer efforts at our social on Saturday evening, January 23, 2010. I can't tell you how thrilled we were to have her both volunteer and perform for our adults!

As you know, My Possibilities is a first of a kind, day program in North Texas for adults with cognitive challenges. One goal of our program is to provide social opportunities for our adults within a safe and nurturing environment. Thanks to the support of wonderful volunteers like Ashley we are able to do this. It is clear to all of us at My Possibilities that Ashley's beauty isn't just skin deep. She possesses an inward beauty as well, along with a heart for individuals with cognitive challenges. Talented, compassionate, confident and poised, this is a young lady with a bright future ahead of her!

Again, many thanks to Ashley for her volunteer efforts and our best wishes for her continued success!

Sincerely,

Liz McHugh
